URGENT NOTICE**

ADMISSION UPDATE FOR PRE-NURSERY AND LKG (PRIORITY 4 (B))

Dear Parents,

This is to inform you that admissions for Pre-Nursery and LKG under Priority 4 (B) are now **closed** due to the receipt of an excessive number of application forms.

As the number of available seats is limited and significantly lower than the number of applications received, it will not be possible to accommodate all applicants.

For those parents who have already submitted the admission forms, please note that the admission process will be conducted through a **lottery system**.

Further details and updates regarding the lottery process will be published shortly on the school website: airforceschoolhindan.co

You are requested to regularly visit the website for the latest updates.
